Forecast for Monday 09 Aug 2021

Weather: Rather cloudy with showers overnight. Mostly cloudy and dry during the morning, the cloud well down at first with some mist. The cloud lifting and breaking above the summits by early afternoon, but scattered heavy showers developing with the risk of the odd thunderstorm. Any showers dying out early evening with the best of any sunny spells.

Chance of cloud free mountain/hill tops above 700m: 40% rising to 90% in the afternoon, although lowering in any heavy showers.

Visibility: Mainly very good, but moderate or poor in heavy showers and mist, and very poor at height. Extensive cloud, well down at first with base 600m or less, but lifting and breaking above the summits in the afternoon, although lowering onto the tops in any showers.
